Conditions of Supply:

We believe that all goods supplied by us are suitable for the purposes stated on the packaging. Because we cannot exercise control following the supply of product including (solely by way of example), their storage, handling, mixing or use, (or the weather conditions before/during/after application), all conditions and warranties - statutory or otherwise - as to the quality (or fitness for any purpose) of our goods are excluded. No responsibility will be accepted by us or our authorised re-sellers for any failure in performance, damage or otherwise (excluding personal injury). These conditions cannot be varied otherwise than in writing, signed by an authorised director.
